

## Guidance for using EasyChair to submit reviews for Data for Policy 2025 Regional Conferences

Thank you for agreeing to review submissions to Data for Policy 2025. We hope that this will be a straightforward and rewarding process.

- Before submitting your review on EasyChair, please make sure you have read the <u>information for reviewers</u> on our website.
- Please note that full papers will reviewed using the Data & Policy ScholarOne System, for which there is separate guidance.
- These instructions are to assist you in submitting your review on EasyChair. For additional information on how to use the system, there are <u>information pages</u> on EasyChair (login required), and a series of <u>tutorials</u> on YouTube.

1) On EasyChair, find the submission to review

			If you are the reviewer, the top

If you are the reviewer, the top part of the form is left blank. The programme committee can invite reviewers using this form. 3) Enter your score and comments against the assessment criteria: (see <a href="https://dataforpolicy.org/submission-guidelines-for-authors-2025/">https://dataforpolicy.org/submission-guidelines-for-authors-2025/</a> and scroll down to check reviewer instructions).

Please ensure that you are using the appropriate assessment criteria for individual extended abstract or panel submission.

## Evaluation

<b>Overall evaluation.</b> * Please provide a detailed review, including a justification for your scores. Both the score and the review text are required.
<ul> <li>3: strong accept</li> </ul>
2: accept
1: weak accept
0: borderline
