

Guide the completing conference-specific information on *Data & Policy* ScholarOne

Please follow these steps to ensure your full paper is recognised as a Data for Policy 2025 (DfP'25) Conference Proceedings Paper, and is handled through the integrated review process.

- Select 'Data for Policy Conference Proceedings Paper'

Submission

- Step 1: Type, Title, & Abstract >
- Step 2: File Upload >
- Step 3: Attributes >
- Step 4: Authors & Institutions >
- Step 5: Reviewers >
- Step 6: Details & Comments >
- Step 7: Review & Submit >

Step 1: Type, Title, & Abstract

Authors of full papers for any of the regional editions of the Data for Policy Conference in 2025 should select **Data for Policy Conference Proceedings Paper**. For more information about the conference editions and their deadlines, see the [Data for Policy website](#).

[Read here](#) for more information about all article types. Make sure you select the appropriate option for your article as this has implications for how the article is reviewed.

LaTeX and Word templates can be found on [the Data & Policy website](#).

* = Required Fields

* Type:

| CHOICE | TYPE |
|----------------------------------|--|
| <input checked="" type="radio"/> | Data for Policy Conference Proceedings Paper |
| <input type="radio"/> | Research Article |
| <input type="radio"/> | Commentary |
| <input type="radio"/> | Translational Article |
| <input type="radio"/> | Data Paper |
| <input type="radio"/> | Data for Policy Report |
| <input type="radio"/> | Editorial |

- Next, select the relevant regional conference edition for your submission.

Submission

- ✓ Step 1: Type, Title, & Abstract >
- ✓ Step 2: File Upload >
- ✓ Step 3: Attributes >
- Step 4: Authors & Institutions >
- Step 5: Reviewers >
- Step 6: Details & Comments >
- Step 7: Review & Submit >

Step 3: Attributes

In order to help us provide an efficient review process for your paper, authors must identify the following in relation to their submission:

- Which regional edition of the [Data for Policy 2025 Conferences](#) is this for?
- Which of the Data for Policy [Standard Focus Areas](#) is most relevant?
- Whether or not the submission relates to a Special Track?

* = Required Fields
